

Seattle Knights

It is our great pleasure to welcome the Seattle Knights to the Rogue Renaissance Fantasy Faire!

The Seattle Knights are the Northwest's premier medieval fantasy jousting and fighting troupe. Their show seamlessly brings together knights on horseback, foot soldiers, archers, fantasy warriors, faeries both good and bad, wizards, royalty and more!

Director, Dameon Willich, brings us a battle of epic proportions, as the forces of Good and Evil come together in a show you'll want to see over and over.
